Humana risk adjustment and Stars 2023 monthly learning series including CME and CEU sessions

The Humana risk adjustment and Stars provider education teams are pleased to offer the following live, online learning sessions in 2023. Please note that some presentations offer a free continuing education credit for registered participants: continuing medical education (CME) for licensed clinicians and/or continuing education unit (CEU) for certified medical coders.*

Along with the topic-specific webinars, we will be hosting three additional presentations that offer CMEs:

- 1. The Patient Experience Surveys These sessions will dive into how Patient Experience is measured by the Centers for Medicare & Medicaid Services (CMS) through the Consumer Assessment of Healthcare Providers and Systems (CAHPS®) and the Medicare Health Outcomes Survey (HOS). In addition, the purpose of the Humana Patient Experience Survey will be discussed. Resources and practical ways to enhance the overall Patient Experience will be provided.
- 2. The Importance of Accurate Documentation and Coding: A Physician's Perspective These sessions will focus on understanding the healthcare components related to risk adjustment and how to leverage accurate clinical documentation and coding to capture the true health status of the patient.
- 3. **CMS Statins** One of Humana's pharmacists will discuss the use of statins for cardiovascular disease and diabetes and the requirements of the Healthcare Effectiveness Data and Information Set (HEDIS®) statins measures.

HEDIS® is a registered trademark of the National Committee for Quality Assurance (NCQA).

All times are Eastern Standard Time.

How to register

Registration must take place prior to the event. Please do not forward the event link to anyone else. **Only registered participants will be eligible for CEUs or CMEs.** You may register in one of two ways:

• While holding the control button, click "Register" next to the session you would like to attend, and complete the registration process.

OR

 Copy the URL listed next to the session you would like to attend. Paste the URL into a browser, hit enter, and register.

After completing the registration link, you will receive a confirmation email about how to join the meeting. A link in the confirmation email allows you to add this meeting to your calendar.

If you have questions or need help with registration, email <u>AskStars@humana.com</u> for Stars, patient experience and statins sessions, or <u>PRCE@humana.com</u> for risk adjustment sessions.

* A minimum participation time of 75% of the total presentation is required to qualify for the CME/CEU. Participants must be connected to both the audio and visual parts of the meeting for attendance to be recorded. After attendance is verified, an American Academy of Professional Coders (AAPC) CEU or American Association of Family Physicians (AAFP) CME certificate will be emailed to the appropriate participants.
