

Commercial Summary of Medical Preauthorization and Notification List Changes

Last updated: Jan. 31, 2023

This list contains a summary of changes made to the current copy of the Commercial Preauthorization and Notification List. At Humana, we are dedicated to ensuring every business decision we make reflects our commitment to improving the health and well-being of our members. To that end, we continuously evaluate our clinical programs, current medical literature, legislation and coding practices to help our members achieve their best health.

Definitions:

Added: code now requires preauthorization

Removed: code no longer requires preauthorization

Deleted: code no longer recognized by either the American Medical Association or the Centers for Medicare & Medicaid Services

A copy of the most recent Commercial Preauthorization and Notification List can be found on our webpage at [Humana.com/PAL](https://www.humana.com/PAL).
